

Webinar Registration Form

Implementing Behavior Intervention Teams: Training, Protocols & Risk Assessment Tools Thursday, January 31 ~ 3:00-4:00pm (Eastern)

Once the live date has passed, this training will be available on demand.

Overview

In 2007, the VA Tech massacre showed many just how vulnerable institutions of higher education were when 32 students and staff members were murdered on campus. Since then, BITs have become a national best practice on campuses across the United States. Unfortunately, many teams are still not functioning properly, are unclear of their authority and role, or do not understand the main purpose or goals of a BIT. Implementation of an untrained BIT without a solid structure and proper protocols subjects the institution to unnecessary liability and risk. However, BITs who are highly trained and understand risk and threat assessment as it pertains to their campus can actually engage in risk mitigation.

This webinar will provide a basic foundation on the establishment of BITs as a best practice; some considerations for membership; the relationship a BIT should have with other campus and community teams; the basics of a BIT protocol and risk assessment tools.

Objectives:

- Learn about how BITs became a national best practice
- Learn basic information about BITs
- Learn about creating a BIT manual for your team and what should be included
- Learn how to build the confidence of your BIT and suggestions for the team's professional development

Who Should Attend?

- Administration
- Campus Safety/Faculty
- Human Resources
- Student Services/Affairs
- Counseling
- Advising
- Any educator interested in learning more about the ABC's of BITs (Behavior Intervention Teams)

Implementing Behavior Intervention Teams: Training, Protocols & Risk Assessment Tools

Thursday, January 31 ~ 3:00-4:00pm (Eastern)

Speaker(s)

Bev Baligad / Director of Compliance/Title IX Coordinator
University of Hawai'i- West O'ahu

"Being a member of a BIT that has never been formally trained, functions without using a protocol or does not understand the team's role and limitations breeds distrust and frustration for the campus and the team. The wrong time to learn about what the team doesn't know, would be during a complex case."

Bev has been a member of the Michigan State Bar since 2004. She currently serves as the Director of Compliance/Title IX Coordinator at the University of Hawaii- West Oahu campus. She is the current BIT Chair for the campus. Previously, she was employed at a mid-sized, urban public commuter campus (20,000+). Since 2005, she has worked in various areas in higher education, including but not limited to: Labor Relations, Executive Assistant to the President, Adjunct Faculty, Director of Compliance and Title IX Coordinator. She has extensive experience in the development and implementation of all aspects of the Title IX processes (training, investigations, programming, process reviews, and case management). She has been a consultant and trained (face to face and webinar formats) institutions and individuals across the nation in the areas of Title IX, Title IV, Behavior Intervention Team (BIT), VAWA/Campus SaVE /Clery Act, ADA/Section 504, FERPA, EDGAR Part 86, Student Conduct, Due Process and First Amendment. She served as the Michigan State Coordinator (2009-2013) for the Association of Student Conduct Administrators (ASCA) and is a current member on the National Association of College and University Attorneys (NACUA)- NACUA Notes Editorial Board, the Association of Title IX Administrators (ATIXA), Association of Threat Assessment Professionals (ATAP), Threat Team Oahu (TTO) and the Filipino Association of University Women (FAUW).

\$3995 - Purchase Go2Knowledge to receive unlimited access to webinars & recordings for one year (Best Deal!)

Implementing Behavior Intervention Teams: Training, Protocols & Risk Assessment Tools

Thursday, January 31 ~ 3:00-4:00pm (Eastern)

Login Directions

The login directions provide the following information:

- A link and a password for the event.
- A link to test webinar access. Please test your computer prior to the event.
- The date and time of the webinar. Please be sure to reference the time zone converter on the login directions to confirm your event time.
- Audio instructions: You can stream the audio over your computer speakers, but you may want to have a phone available for backup purposes.

You will receive the login directions twice via email. The process is as follows:

- 1 week prior to the live event: You will receive login instructions.
- 1-2 days prior to the event: You will receive a link to the presentation and any additional handouts. Copies can be made for attendees if desired.
- The day of the event: Participants can login to the IE Webinar 30 minutes prior to the start time. Once logged in, participants can see the PowerPoint slides, ask questions, and make comments via the chat feature.
- Participants are encouraged to save and print the login directions to refer to on the day of the webinar.

Site Connections

The basic registration fee allows you to access the webinar from one computer only. If you need multiple site connections, please register for the unlimited site connection price.

Recording Information

The Monday following the live event you will receive a link to the recording, it can be forwarded to all faculty and staff for viewing anytime, anywhere.

Recording Benefits:

- Share the presentation with other staff members
- Pause presentation for convenient viewing
- Review the presentation after the live event
- Train new hires throughout the year
- Show during an in-service training

Technical Details

Innovative Educators uses WebEx as its web conferencing provider. If you have not previously attended a WebEx event, please click here to make sure your computer is compatible with WebEx. Be sure to complete this test prior to the live conference. See system requirements for more information.

What equipment is required?

An Internet connection, computer speakers, and LCD projector are required if a large group is viewing the presentation. Participants can call in via phone if they are having trouble retrieving the audio over the computer. Please be sure to reserve a meeting room prior to the live event that can accommodate these requirements as well as your attendees. You should reserve the room 30 minutes prior to the webinar start time and allow at least 15-30 minutes after the webinar for discussion.

Cancellation Policy

- 30 days prior: Full refund
- 14 days prior: \$100 processing fee
- Less than 14 days: Credit towards another IE event

Satisfaction Guaranteed

We want you to be satisfied with your purchase. For questions, concerns, or problems, please email support@ieinfo.org or call 303.955.0415.
